

Professional training

High Performance Sales Manager

March 9 to 13, 2020

Program

Smart Pharma Consulting proposes a training for sales managers of pharmaceutical companies wishing to become “High Performers”

Day 1: Recent changes in the environment and implications

- The French healthcare system: national, regional and local (hospitals and other institutions)
- Strategic, tactical and organizational implications for sales forces

Day 2: Sales force performance – Strategy

- Dynamic and individual customer segmentation
- Search for customer preference
- Creating high impact interactions with customers

Day 3: Sales force performance – Organization

- Adapt activities and strengthen skills required
- Define a flexible structure adapted to targeted customers
- Craft procedures to facilitate the cooperation between medical, marketing and sales departments
- Establish a culture of commitment and excellence

Day 4: Best-in-class Leaders & Managers

- Develop and share a vision and values
- Stimulate collaborators passion for their job
- Manage according to the “mutual benefits” principle
- Organize and monitor sales forces activities

Day 5: Specific development of collaborators

- Use methods and tools to improve customers insights
- Analyze performance and set priorities
- Support the crafting of pragmatic action plans
- Improve cross-functional collaboration

Teaching method

Unique method, acclaimed for 27 years:

- Educative challenge (e.g. analytical rigor, relevance of recommendations, structure and quality of presentations)
- Training of participants to problem-solving (based on case studies, enriched by practical exercises)
- Co-animation with experienced professionals from the pharma sector
- Limited number of participants (maximum 15) to favor discussion and optimize supervision
